Annual Meeting
Association for Symbolic Logic

March 20–23, 1999 University of California, San Diego

Plenary Speakers

S. Friedman, MIT
J. Knight, Notre Dame
S. Lempp, Wisconsin–Madison
T. Pitassi, Arizona
H. Schoutens, Wesleyan
S. Thomas, Rutgers
V. Vianu, UC San Diego
J. Zapletal, Dartmouth

Retiring ASL Presidential Address

M. Magidor, Hebrew University

Tutorial on Finite Model Theory

R. Fagin, IBM Almaden

Symposium on Mathematical Intuition

M. Friedman, Indiana
C. Parsons, Harvard
W. Tait, Chicago

Tenth Annual Gödel Lecturer

S. Cook, Toronto

Special Sessions

Computability Theory
Finite Model Theory & Stability Theory
Philosophical Logic
Proof Theory & Complexity
Set Theory

Program Committee

S. Buss (chair), B. Hart, C.G. Jockusch, Jr., V. McGee, W.H. Woodin

Organizing Committee

S. Buss, J. Remmel, G. Sher (chair)

Special Session Organizers

J. Baldwin, S. Buss, G. Hjorth, C.G. Jockusch, Jr., V. McGee, G. Sher

Financial Support

Association for Symbolic Logic
National Science Foundation
University of California, San Diego

Graduate student travel grants are available: the deadline for applications is January 29, 1999.

The deadline for contributed talk submission is January 15, 1999.
