TOTAL COMMENTS: 3

1) Great TA.

2) Great Analysis TA. Prepares homework solutions for difficult assignments. He runs very good office hours and section. Very approachable even outside of allotted time. Great guy too.

3) This is the second quarter that I've had Caleb, and I like him as a TA. He is helpful without giving away the punchline. Sometimes it didn't seem like he knew what content we were currently covering in class, but I think that was just a lack of communication between the prof and ta. That's the only thing that needed improvement, everything else was great.
