*Please provide any additional constructive comments*

- Christian is a flawless human being.
- Christian is a very good TA.
- Christian is an incredible TA, the best TA I’ve ever had. I am pretty sure I could not make it to the end (the honor sequence) without Christian.
- Christian is the best TA I’ve had thus far. Dedicated, knowledgeable, and always clear and understandable. Give this man a promotion.
- Christian Woods is one of the best TAs I have ever had. He was my TA for 3 quarters and was very prepared and knowledgeable in mathematics. He always had proofs of things ready and was very personable and approachable.
- I have not yet had a more helpful TA or even professor. Christian (who was a TA through the entire 31 series) was absolutely critical to my understanding of the course material in discussions and in the extra office hours he provides before exams. Beyond that, he is smart, friendly, engaging, and his love of mathematics really comes through when he teaches. I will miss him.
- I’m very satisfied with how Christian handled the entire 31 series as a TA. While I did have some difficulty keeping up with the course material, the discussion sections were often very helpful.
- Thank you Christian!
