

Information on Midterm 1, Monday October 17, 2005

- When** The midterm is in class on Monday October 17. Please arrive a few minutes early to ensure the exam starts on time and that you get the full time allotted to it.
- Topics on test** The midterm covers the material on homework assignments 1–3. Study your lecture notes, the homework problems, and the relevant parts of the book. For additional practice problems, do problems similar to the assigned ones.
- Supplies** Please bring your student ID card, pencils, erasers, and a “cheat sheet” (described below). You may also bring a calculator. We’ll supply a test book, so you don’t need a blue book or scantron.
No other resources are permitted. No books. If you bring your cell phone, pager, or other electronic device, be sure that it is disabled and stashed away.
- “Cheat Sheet”** You may bring one **double sided** sheet of notes, $8\frac{1}{2}'' \times 11''$. It must be written by hand by you in pen or pencil; it may not be produced by any other means (computer, photocopying, purchasing pre-made reference cards, etc.).

-
- Homeworks** Answers to selected homework problems will be made available on the class website. Username/password info was announced in class.
