Math 11: Calculus Based Probability and Statistics

About Final Exam

The final exam for Math 11 will be held on **Wednesday, June 12, 3:00-6:00pm** in **Peterson Hall 110**. Please read through the following very carefully.

1. Please remember to bring your student ID to the final exam.

2. You will be assigned a random seat number. Please check TritonEd under Grades>Final Seat to find out your seat number.

3. Please remember to bring a calculator. However, use of cellphones, tablets, laptops, and such is prohibited.

4. The final exam will be on all the topics we covered in this course. (see course webpage to check the relevant textbook chapters).

5. The exam is closed book and closed notes. You cannot bring any notes or cheat-sheet to the exam. However, you will be given a list of formulas (available on TritonEd). You are responsible for understanding what those formulas means before the exam.

6. You will be given Standard Normal table (for positive z-scores) and $t$-distribution table.

7. A sample exam from past years has been uploaded on TritonEd. Don’t rely heavily on the sample exam.

8. A list of review sessions and office hours for final exam will be posted on the course webpage.
