Math 180a: Introduction to Probability

About Midterm 1

The first midterm exam for Math 180a will be held on **Monday, Oct 23, 5:00-5:50pm** in **Center Hall 113**. Please read through the following very carefully.

1. You will be assigned a random seat number. Please check TritonEd under Grades>Midterm 1 Seat to find out your seat number. Seat numbers will be available over the weekend.

2. You are allowed bring a calculator. However, use of cellphones, tablets, laptops, and such is prohibited.

3. The exam will include the sections we covered from Chapters 1-3 of the textbook in lectures 1-9 (Axioms of Probability, Combinatorial Probability, Conditional Probability.)

4. The exam is closed book and closed notes. However, you are allowed to bring one sheet of paper. You are allowed to write on both sides of the sheet.

5. Please plan to arrive 5-10 minutes before 5:00pm, so that we can start the exam in time. You might need extra time to find your seat.

6. A review session will be hold on Thursday, Oct 19 from 10 - 11am (can be extended to 11:20am if needed) in Applied Physics and Mathematics (AP&M) 5829.
