9. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- I do not feel exactly qualified to give a detailed evaluation for her, since I rarely attended the TA sections. However, based on the few sections I did attend, Mozghan was really clear in explaining class problems, and showed great understanding of the course.

- She clearly shows that she wants students to succeed. One of the remarkable things she did for me this quarter was hold extra office hours just for me so then I could understand the homework. A very good TA.

- Super lenient and willing to help student recommend

- While I did not attend every section, the ones I did were well-taught and a good supplement to course material.
