Please provide any additional constructive comments

- A great T.A.! Extremely nice and helpful! Always willing to do more problems in discussion or office hours.

- Do the homework before the section

- Examples really helped with the final (: 

- Extremely good T.A. and very nice guy. He honestly taught me more than my professor, and I can't wait until he teaches a class of his own.

- hawt mama

- He has an epic accent. Very cool TA. Helped me through my class a lot.

- He is a Best Tutor.

- He is a great TA. Even though he doesn't want to be a teacher, I highly recommend him to be one.

- He is a really good TA.

- He is clear and organized when doing a problem showing all the steps to get to the answer.

- He is good. Take his section.

- He was really good at addressing problems and giving students ideas on how to approach them.

- He's probably one the best math instructors I've ever had. He has a knack for explaining difficult concepts in an easy-to-understand way, he can spot mistakes extremely quickly, he's willing to admit when he's wrong, and he's very friendly and approachable - all in all a fantastic teacher.

- I enjoyed his humor which made the material slightly more interesting.

- I feel that my grade would have suffered without attendance of this section. Josh helped myself and study partner understand the material better than we were able to from lecture. He explained things more effectively than the professor did during lecture. Genuinely cared that we understood. A great TA.

- I learned just as much from him as I learned from the professor. If not, more.

- I think the T.A. was extremely helpful during section and during his office hours.

- Josh is an extremely helpful TA. He explains everything well and tries to make sure everyone understands the material. During his office hours, he is extremely patient and thorough in his explanations and is always happy to go over the same problem multiple times.

- Josh is extremely helpful both in section and via email. His explanations are also very clear and he is a great TA to have for math.

- Josh is honestly a better instructor than most professors I have had. He explains difficult concepts in a way that everyone can understand and the problems he chooses to do during sections prepared me very well for homework and exams.

- josh is the best TA. hands down. He replies all your mail..His office are are awesome. His
discussion section is very interesting..sometimes i miss the class but i cant miss his discussion section. he is just awesome. 5star.

- Josh Tobin is a very good TA. I would not mind having him again for my other math classes.
- Josh was a great TA!
- Josh was super helpful and I think that comparatively he was an above average TA
- Josh was super helpful. He always made himself avaliable during office hours which I have been attending regularly! He always did practice problems and helped us to understand the concepts as well and geared problems toward what we were assigned for homework! Super friendly guy with very good intentions. I enjoyed having him as my TA
- Knows his material and cares about if the students understand him and the material.
- Mr. Tobin is an excellent TA. His along with the professor's clear teaching style is why I thoroughly understood the course. Mr. Tobin is always willing to help his students and extend his office hours. I am really grateful that he was my Math 20 C TA.
- My favorite TA. Helped so much with this course. I wish more TAs put this much effort into their discussion sections.
  -Ingmar
- One of the best TAs i’ve had. Clear, concise, knowledgeable, funny, and available for help.
- Solid and deep knowledge to explain math concepts concisely and effectively.
- this TA is cute and good!
- This TA was awesome. I went to his office hours for a homework assignment and it helped me tremendously. He was my favorite TA for my first quarter.
- Tobin is an excellent TA and very approachable and helpful. He explains topics very well and promotes understanding and learning.
- Very enthusiastic and extremely willing to help, made asking questions a lot easier.
- Very friendly person and helped a lot during session, office hours, and through his e-mails. Made my first math class in college enjoyable.
