9. Do you have any other comments to add to your evaluation?

Please provide any additional constructive comments

- Great TA. Section was a critical component to doing well in this class, as the TA helped answer problems in a very clear way since he was comfortable with the material.

- He was always very helpful during section and office hours. He provided hints to homework problems and not just full solutions. He also answered any questions I had and was extremely helpful throughout the quarter.

- Robbie, you’re a great TA and you made the course enjoyable. Thanks for making an effort.
