1. Taylor McAdam would have to be one of the best TA's I have had so far. She explains topics very clearly, is very patient and very easy to talk to.

2. Taylor is a great mentor. She's really good at what she does, and you can see that.

1. Taylor was very knowledgeable in the subject and, being that the class was flipped classroom, she was a huge help when learning the material. I felt that I learned a considerable amount in discussions.

2. Taylor is extremely helpful, but like Jesse, she answers questions with questions. I found her explanations to be clear rarely.
