9. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- I like going to her discussion. The group discussion is really helpful for doing homework and understanding concepts. She explains really clear.
- I like how Taylor divided up the class into smaller groups to work on problems, and would come to each group to help out.
- Ms. McAdam was a phenomenal TA who who knows her material well. She answered questions with so much clarity; turning a wordy definition into something a third grader could understand. Thank you!
- Taylor is great, hope I have her for a TA again.
