- [1983] *Introduction to Stochastic Integration* (with R. J. Williams), Progress in Probability and Statistics **4**, Birkhäuser, Boston (1983), xiii+191 pp.
- second edition (1990), xvi+276 pp.
 - Russian translation: Введение в Стохастическое Интегрирование, translated with a preface by V. M. Kruglov, Mir, Moscow (1987), 152 pp.
- [1995a] *Green, Brown, and Probability*, World Scientific, River Edge, NJ (1995), xiv+106 pp.
- second edition (2001), includes Brownian motion on the line, x+170 pp.
- [1995b] *From Brownian Motion to Schrödinger's Equation* (with Zhongxin Zhao), Grundlehren der Mathematischen Wissenschaften **312**, Springer-Verlag, Berlin (1995), xii+287 pp.
- second printing edition (2001).
- [1997] *Suiji Guocheng Xindaoyin (A New Introduction to Stochastic Processes)* (in Chinese, with Rong Wu), World Scientific, Singapore (1997), 218 pp.

- [2001] *Introduction to Random Time and Quantum Randomness* (with Jean-Claude Zambrini), Monographs of the Portuguese Math. Soc., McGraw-Hill, Lisbon (2001), viii+177 pp.
- new edition, World Scientific, River Edge, NJ (2003), xii+211 pp.
- [2004] *Chance and Choice. Memorabilia.* World Scientific, Hackensack, NJ, 2004, x+316 pp.

Other Publications

- [1954] B. V. Gnedenko and A. N. Kolmogorov, *Limit Distributions for Sums of Independent Random Variables*, translated from the Russian and annotated by K. L. Chung, with appendix by J. L. Doob, Addison-Wesley Publishing Company, Inc., Cambridge, Mass. (1954), ix+264 pp.
- revised edition, translated from Russian, annotated and revised by K. L. Chung with an unpublished manuscript by Pao Lu Hsu and appendices by J. L. Doob, (1968), ix+293 pp.
- [1982] *P. L. Hsu Collected Papers*, edited and with a preface by K. L. Chung, with the cooperation of Ching-Shui Cheng and Tse-Pei Chiang, Springer-Verlag (1983), xii+589 pp.
- [1981–90, 1991–92] *Proceedings of the Seminar on Stochastic Processes*, edited with E. Çinlar and R. K. Gettoor: 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989; edited with E. Çinlar and M. J. Sharpe: 1991, 1992, Managing editors: J. Glover (1985, 1986, 1987, 1988), P. J. Fitzsimmons and R. J. Williams (1989), P. Fitzsimmons, S. Port and T. Liggett (1991), R. F. Bass and K. Burdzy (1992), Birkhäuser, Boston.
