Math 150 Section 01 and 02
Daily Comprehension Assignment

Section 1.4 New Functions from Old Functions

1. Write answers to the following questions in your notebook. (Due Friday Sept 13)
   (a) What graphing utility will you be using for this course?
   (b) Do you know how to enter equations, plot them on a restricted domain and solve equations on your chosen graphic utility? If not, please play around with it until you can.

Homework

(a) WebAssign Problems: See WebAssign HW 2
(b) Hand-Written Problems to turn in: 1.4: 17, 21, 37 (Due Wednesday Sept 18)
