

# PUP Exam Prep for Math 2

## At UC San Diego

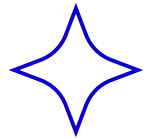

- Math 2 Course (4 units): Standard 10-week course covering a range of topics from Prealgebra, Algebra 1 & 2, and Geometry.
- Math 2 Self Study: Utilize free tutoring and workshops on campus through [ASC@Math](mailto:ASC@Math) and [OASIS](#) for assistance.

## Community College

Low cost, small class size, and extensive preparation. Courses in Prealgebra, Algebra, Geometry, and Precalculus to prepare.

### *Local Schools*

- [San Diego Community College](#)
- [Grossmont/Cuyamaca Community Colleges](#)
- [Southwestern College](#)
- [MiraCosta College](#)

## Free Online Options

- [Khan Academy](#) Suggestions: Prealgebra, Algebra 1 & 2, and Geometry.
- [Saylor Academy](#) Suggestions: Foundations of Real-World Math (RWM 101) and Real World Math: Algebra (MA007)

## Transfer Coursework (*Options above do not transfer.*)

- Check your major or college requirements first.
- Look up transfer equivalency at [assist.org](http://assist.org).
- After you earn a grade of C or higher have an official transcript sent to UC San Diego.
