9. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Thank you for the patience and kindness you have showed me throughout this quarter. No matter how long it took me to answer a question you asked me or any questions I asked during discussion section or OH, you were always respectful and I appreciated that. Thank you for your help in helping me understand the concepts more for this course and for the help on the homework. I truly think you helped me enjoy this class a bit more with your OH and discussions.
